And What Have You

By BOB CRAIG

THE PIED PIPER BOOSTER CLUB will hold an ice cream supper and membership drive here Friday night before the scrimmage with Munday, and as president of the organization this year we would urge all of the Hamlin fans to come out and support the boys. We especially urge all of the boys' parents to support their sons by attending the scrimmage and the games and extend a special invitation to them to attend the Booster Club meetings. Both the mothers and the fathers are urged to come out for the Club meetings and get a preview of the game coming up and see their boys in action on the films of the preceding games.

These kids work hard and give up a lot of their time each year to play football and they need as much support as we can give them. Sometimes we seem to forget that the only thing that keeps these boys playing is their desire and pride. Too often we fail to show our support and appreciation. Oh we get real excited about the Friday night hero but we seem to forget all of these boys that work out every day for several years before they can become the Friday night hero — if they make it then.

SINCE SCHOOL IS NOW UNDERWAY, this would be a good time to remind motorists to be sure to watch for children as they make their way to and from school. This is especially true when they are in the marked off crosswalks on West Lake Drive and North Central. We need to give these youngsters the right of way whenever possible.

It has also been brought to our attention that the people parking around our schools, particularly the high school, need to pay more attention to how they park. Too many cars end up on the sidewalks so that there is not enough room left to walk without getting on the grass or gravel. These walks are made to walk on, not to park on.

FOR THE BENEFIT of dove hunters the new season will open Friday at 1 p.m. Daylight Saving Time. This is true each day that hunting can start until 2 p.m., Oct. 29 when the state goes back on Central Time. Then the hunting will open at noon.

ONE OF THE LITTLE PUBLICIZED provisions of the State's new traffic laws requires that one or both parents of juvenile traffic offenders appear in open court with the youthful law breakers.

The law, which became effective Monday also states that juveniles can plead guilty only in open court before the judge and that parents or guardians must be present before the teen is convicted or fined.

"In today's busy world it is difficult for many wellmeaning parents to keep up with the actions of their teen age children. This provision of the new law should benefit conscientious parents and their youngsters," Russell H. Perry, President, Association of Texas Fire and Casualty Companies said when commenting on this phase of the new traffic laws.

"Up until now, Mr. Perry added, 'teens could be arrested and fined without parents knowledge. Teens could and did build terrible driving records. In many cases, the parents could have called a halt to the dangerous driving; if only they had known what was going on.'"

Mr. Perry also pointed out that the driving records of all members of a family household affect auto insurance rates under the Texas Driving Insurance Plan.

"A bad driver, either young or old, male or female can cause a family's insurance rates to climb. At least under this new law, parents will have an opportunity to do something about their teen age children's driving habits.

INCIDENTLY, THE DPS PREDICTS that 45 Texans will die during the forthcoming Labor Day Weekend — lets all try very hard to see to it that one of us is not one of these singled out for this slaughter.

Exes Hard At Work On Gathering

An added feature of the annual Hamlin High School Homecoming will be a window display of hobbies and crafts prepared by ex-students. Pat Blankinship is chairman of the window decoration committee and all exes who have knitting, paintings, ceramics or other hobbies that could be displayed should call her at SP 4-2116.

Mrs. Steve Reynolds will be in charge of the "Little Pipers" and anyone wishing to have their children in this part of the parade should call her at SP 4-1867 for information and pattern.

The Homecoming will be held Sept. 15 and 16.

The schedule, according to this year's president, Mrs. Ed Lewis, is as follows: Friday, chili supper 5:30 to 7 p.m.; bonfire and pep rally, 8 p.m.; Saturday, downtown parade 10:30 a.m. lunch, 11:30 to 1:00; business and program, 2 p.m. football game, Hamlin vs Nolan of Fort Worth 8 p.m. and visiting in the high school gym at 10 p.m.

Ex - student headquarters are in the Wards Catalog Agency, 231 S. Central.

Special recognition will be given to classes of 1917, 1927, 1937, 1947, 1957 and 1967.

Nominees for the Exes Homecoming Queen are Mrs. John E. Day, the former Winnie Caldwell of the class of 1917; Mrs. J. L. Woodson of Stamford, the former Madge Howington of the class of 1927; Mrs. Glenn Bratcher of Lubbock, the former Juanita Flenniken of the class of 1937; Mrs. H. H. Walker of Dallas, the former Bettye Sellers of the class of 1947; Mrs. Lawrence Cook of Fort Worth, the former Mary Jo Hubbard of the class of 1957.

Ex-students vote for their candidate as they send in their registration.

Irvine Hardware Winners Named

Clerence Irvine, owner of Irvine Hardware, announced the following winners of merchandise in the formal opening last Friday and Saturday.

The winners were: Mrs. Bill Smith, party grill; John Johnson, transistor radio; Mrs. Cecil Lee Drake, socket wrench set and Mrs. A. J. Pemberton, rod and reel.

LARGE CUCUMBER GROWN HERE — Jess Miller grew a cucumber at his home in the north part of town that weighed three pounds, was 11 inches long and measured 13½ inches around and six inches in diameter. He shows the cucumber and says he plans to keep it for seed. He said the garden produced all the cucumbers his wife wanted to can and they still had plenty to give away to their friends and relatives.

Neinda Water System Must Wait On Funds

Rod Brown, chairman of the Neinda Water Supply Corporation, announced this week that the water supply system for which application has been made would not be granted funds this year.

He said that according to Frank Barnett in Anson,

Jones County Farmers Home Administration supervisor, priority and the late filing date caused the Neinda project to be missed for the 1967 allotment of funds.

The committee hopes that the local project will rate close to the top when 1968 funds are made available.

The funds for the loans are distributed at the beginning of the fiscal year, July 1. The Neinda group filed Dec. 14, 1966, therefore the applications made from July 1 had priority.

Deposits of \$55 each were made by 314 persons before the application was made. This money had to be available before the grant and loan application could be made. This amount is now on time deposit and cannot be refunded because it has to be accessible.

A federal loan of \$371,000.00 has been approved. Following the funding of the grant for \$296,000.00, the water project will be ready to obtain right-of-ways and tank sites. After these are secured, bids for the construction will be received.

The water system will be the largest in the state, according to Brown. It will consist of 121 miles of pipe line.

SCRIMMAGE TO FOLLOW—

Booster Club to Host Ice Cream Supper Friday

The Pied Piper Booster Club will open the football season here Friday night with an ice cream supper preceding the Piper scrimmage with Munday, according to Bob Craig, president. The ice cream will be served between 7:30 and 8:00 with the scrimmage to follow. The football boys will be served after the scrimmages.

All Piper fans are urged to be on hand for the ice cream and for the scrimmage. This will be the opening drive for memberships in the Booster Club with Floyd Clifton,

secretary-treasurer, in charge of the drive. Membership in the Club this year will be \$5.00 which includes the whole family.

The first regular meeting of the Booster Club will be held in the high school cafeteria Tuesday night at 7:00 at which time the fans will hear a preview of the Rotan game and will view the scrimmage film. The regular meetings will be held on Monday nights but the day has been changed for this one meeting because of Labor Day.

The scrimmage with Munday here Friday night will be the second practice session for the Pipers and the B Team as they worked out with Seagraves here last Saturday afternoon. The local coaching staff seemed quite pleased with the performance of their charges with the highly rated Seagraves outfit.

While they found many places that they needed to work on, Coach Joe Youngblood expressed a great deal of satisfaction with the boys in this early scrimmage.

Season tickets for all of the Piper home games are still on sale in the High School office for all who bought season tickets last year and will go on sale Monday to everyone

else, according to B. V. Newberry, principal.

The Pipers will open the season a week from Friday at Rotan with the Yellowhammers and will play their first home game here the following Saturday with Nolan of Fort Worth in the annual Homecoming game.

The first B Team game will be at Roby Saturday night, Sept. 9, and the Freshmen will open with Coahoma here Sept. 14. The seventh and eighth grades will travel to Merkel Sept. 12 for their first games.

Longtime Area Resident, Mrs. Brown Dies Here

Mrs. Dosia Brown, 86, a resident of this area for 43 years, died at 5:30 p.m. Thursday at Holiday Lodge nursing home after an illness of about four weeks.

Services were held Saturday at 2 p.m. in First Baptist Church with the pastor, Rev. Max Brown, and Rev. Eklund, pastor of Anson First Baptist Church, officiating.

Burial was in Neinda Cemetery.

Born April 6, 1891, her parents were the late Mr. and Mrs. J. K. Braudaway of Conway County, Ark. She was married to James T. Brown at Center Ridge, Ark., Oct. 13, 1907. They came to Jones County in 1924. He died in 1954.

Survivors include two sons, Roy of Hamlin, Troy of Tenaha six daughters, Mrs. Edd (Dicie) Rodgers, Mrs. W. L. (Gretta) Maynard, both of Hamlin; Mrs. Theron (Katie) Bingham of Anson; Mrs. E. T. (Jeanie) Farmer of Fort Worth; Mrs. B. E. (Erma) Patterson of De Soto, and Mrs. G. R. (Norma) Christenson of Mesquite; one sister, Mrs. Polly Williams of Anson; 22 grandchildren, and 33 great-grandchildren.

Grandsons were pallbearers.

God and Country Award to Be Given Sunday Morning

Russell Willingham will receive the God and Country award Sunday morning at the First Methodist Church. He is the second boy in the Hamlin's Boy Scout Troop 43 to receive the honor.

Russell, 15-year-old son of Mr. and Mrs. C. W. Willingham is a sophomore in Hamlin High School. He has worked toward the award for three years in a number of church activities. Rev. Cecil Hardaway, pastor, will make the presentation.

Camp Fire Group Discusses Plans To Repair Hut

The opening meeting of the Camp Fire Council was held last Tuesday evening. Plans were discussed for the repairing and improving of the Hut.

Council members attending were Luther Haught, president; Mrs. Haught, treasurer; Mrs. J. B. May, secretary; Mr. and Mrs. Charles Tugwell, Mrs. Howard McHaffey and Joe Ford.

Dwayne Weaver Fund Hits \$205

Glen Williams, trustee for the Dwayne Weaver fund, said that contributions through Monday evening amounted to \$205.

He expressed appreciation for the response of the local people in giving to the fund. The fund was set up to help with medical expenses following a June bicycle-automobile accident and a more recent kidney disorder.

Kidney surgery will have to be performed as soon as the cast is removed from his leg, probably next week. Dwayne is now at home, 229 N. W. F.

Donations are now being placed in containers in business places or deposited at F & M Bank.

Used Clothing Drive Underway Here by P-TA

A used clothing drive by the Hamlin P-TA is now underway, according to Mrs. Gerald Young, chairman of the child welfare committee.

All clothing to be given for distribution to pupils that need them should be taken to the primary School building. If the clothing cannot be taken to the school, Mrs. Young said it would be picked up. The number to call is SP 4-1409.

BEGINNING FRIDAY—

Checks Must Have MICR Numbers At Bottom; No Drafts or Changes

Because of changes of the Federal Reserve System, Floyd Clifton, President of The Farmers and Merchants National Bank, urges everyone to start carrying blank checks or personalized checks with them because beginning Friday changed checks and customer drafts will no longer be accepted.

The reason for this is the special numbers that are on the bottom of all checks furnished by the banks. These are coded numbers, in magnetic ink, which help processing machines separate the checks according to proper banks, rather than the more tedious and more expensive process of hand sorting the checks.

Many of the larger banks across the country will also have the customer's personal account number encoded to the right of the bank number, so that they too may use processing machines.

Why all this fuss about "changed" checks and customers' drafts? Here's why:

Somewhere in the check collection process your checks will probably be handled by a machine that can only read

the special characters in the lower left-hand corner that are printed in magnetic ink. A "changed" check will have the wrong number, and a customer's draft will have no number.

The machine will probably route the "changed" check to

the wrong bank (if the number is not punched out) and the customers' draft will be rejected by the machine for special handling because it has no number. The special handling required of these checks results in additional expense which may ultimately be passed on to you, the customer.

Beginning Friday the Federal Reserve Banks will require these special magnetic checks if they are to be called encoded characters on handled through the usual check collection channels.

The automation reason for the change in check policy results from some staggering

figures. In 1966, the Federal Reserve Banks and branches in this district processed 315.8 million checks deposited in one bank and drawn upon another. Their dollar value amounted to slightly over \$121 billion. In January 1967, the aver-

1113004301

TRANSIT NUMBER IN MAGNETIC INK
... required on all checks after today

age daily volume of cash items handled by Federal Reserve banks and branches in this district was 1,142,328. Of this amount, the average daily volume of items received NOT bearing MICR routing designations was 92,738. Of this figure, 36,977 were counter checks and almost 3,000 were "changed" checks.

Checks without the code number can be handled by the banks and the Reserve Banks even after the deadline, but the customer may eventually have to pay a service charge, since these will be handled as "collection" items.

FIVE GRADUATE — Graduates of the Hamlin extension of Jones County School of Vocational Nursing were presented diplomas and pins Friday at the Church of the Nazarene. Taking part in the ceremony were, left to right,

Anna Kimbrough RN, instructor of the group, graduates Jewel Hicks, Ann Hale, Lola Douglas, Alletta Donham, Lettie Allen and supervisor of nursing service, Doris Logan RN.

First Week of School Brings
On A Fury of Student Activity

Beth Craig
Janet Carson
Tommy Oliver

After weeks of leisure, this week was the time to get back into the groove of things. Some were eager, some apathetic, and others just plain scared.

HHS

The band has been working for weeks and squad competition was held last Friday. Chris Perrin, drill instructor, Janis Hardaway, Jill Maberry, Linda Nichols and Debbie Tucker won the competition.

HHS

Cheerleaders Pauline Lakey, Cheryl Walton and Kathy Moore have been working with Pep Squad on marching and yelling with spirit.

HHS

The Piper varsity and 'B' team scrimmaged Seagraves here Saturday afternoon. The Pipers looked really good. The townspeople and all the students are looking forward to seeing our team in their opener with Rotan next Friday in Rotan.

HHS

The FFA chapter has worked this summer to complete their yearbook. After attending the officers workshop on the Texas Tech campus in June, the girls were anxious to prepare a worthwhile schedule. The first meeting will be the formal initiation for Freshmen Sept. 11.

HHS

Mr. Wink, Peggy Jones, Mike Young, Gil Linn and Beth Craig attended a Student Council workshop on the University of Houston campus during August. Programs were given on what the Student Council could do on improving student-faculty relations.

HHS

Tommy Oliver, Piper editor, Jayne Turner and Pat Perrin attended an annual staff workshop in Lubbock this month. They were shown many ways to improve an annual.

HHS

A watermelon party for the band will follow marching practice tonight (Thursday). The watermelons are compliments of Reba Jackson and her family.

HHS

Students interested in being on the staff of the "Green Door" met with Mr. Wink Monday afternoon. Students attending were Janet Carson, Margaret Cooper, Janice Hardaway, Jo Lynn Johnson, Kathy Moore, Debra Blanton, Linda Cox, Cindy Bryant,

Marilyn Fudge, Marcia Steele, Patty Cowan and Beth Craig. Staff assignments will be made at a later date.

HHS

The Senior Class held a class meeting Monday night. Sponsors selected were Mrs. Mary Brown, Miss Dora Mitchell, Mr. Milburn Wink and Mr. Harold Williams.

Students discussed ways to earn money for a senior trip. A new community birthday calendar is being prepared to be distributed in December.

The calendar will list schedules of school activities, meeting dates of organizations and clubs, the date of birthdays and anniversaries and advertising of local merchants.

The Senior Class would like to have your listings at 25¢ each, and copies of the calendar, suitable as a memo, gift, or souvenir, are 75¢.

During class elections Milton Davis was elected president; Sharon Hawkins, vice president; Donnelle Hill, secretary; and Virginia Hill, treasurer.

Room parents are Mr. and Mrs. John Brown Jr., Mr. and Mrs. Paul Cooper, Mr. and Mrs. Burt Oliver and Mr. and Mrs. J. C. Turner.

HHS

The Hamlin FFA chapter had a busy summer. Hamlin was represented at the Area II FFA convention, officer training school, Texas FFA Convention, junior Hereford Field Day, Jones County Fair and the Fisher County Fair. The current school year should also prove very active for the members.

Young Family
Reunion Held In
Roby Sunday

Descendants of the late Mr. and Mrs. A. B. Young of Boyd's Chapel gathered at the Recreation Building at Roby Sunday for their annual reunion.

Scotty Young, three-month-old son of Mr. and Mrs. Stanley Young of Waco, was the youngest present. Mr. and Mrs. John Richards and family of Fairfax, Va., travelled the longest distance.

A basket lunch was served at noon followed by the business meeting. Homer Raney, of Hamlin president, presided. Mrs. Raney was secretary.

New officers elected were Mr. and Mrs. Travis Hubbard of Hamlin, president and secretary, respectively.

The group voted to change the meeting place to the Jaycee Community Building in Hamlin for the 1968 reunion, on the second Sunday in July.

Seventy-five relatives and four visitors were from Lubbock, Fort Worth, Mt. Pleasant, Longview, Rule, Hawley, Monahans, Abilene, Waco, Merkel, Anson, Roby and Fairfax Va.

Sam Carothers
Is North Texas
Honor Graduate

Sam G. Carothers of Hamlin was among 34 senior honor graduates receiving degrees in summer commencement at North Texas State University Thursday night.

Of 623 bachelors degree recipients, 5 graduated with high honors and 29 with honors. The university also awarded 465 masters degrees and 19 doctors.

Graduating with honors, Carothers, received the bachelor of business administration degree in management.

Back to School...

As Summer Vacations draw to a close, and thoughts turn to the ways and needs for returning to school, give some thought to locating a church near your college or university.

Attend services regularly, worship the Lord in His house. Give a good accounting of your worship life, as well as your studies.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

PUBLIC NOTICE
Proposed
CONSTITUTIONAL AMENDMENT
NUMBER FIVE ON THE BALLOT

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Article III of the Constitution of Texas be amended by adding a new section thereto to be known as Section 49-e, as follows:
"Section 49-e. The Parks and Wildlife Department, or its successor vested with the powers, duties, and authority which deals with the operation, maintenance, and improvement of State Parks, shall have the authority to provide for, issue and sell general obligation bonds of the State of Texas in any amount not to exceed Seventy-Five Million Dollars (\$75,000,000). The bonds authorized herein shall be called "Texas Park Development Bonds," shall be executed in such form, denominations, and upon such terms as may be prescribed by law, provided, however, that the bonds shall bear a rate or rates of interest as may be fixed by the Parks and Wildlife Department or its successor, but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in all the bonds issued and sold in any installment of any bonds, shall not exceed four and one-half percent (4½%) interest per annum; they may be issued in such installments as said Parks and Wildlife Department, or its said successor, finds feasible and practical in accomplishing the purpose set forth herein.
"All moneys received from the sale of said bonds shall be deposited in a fund hereby created with the State Treasurer to be known as the Texas Park Development Fund to be administered (without further appropriation) by the said Parks and Wildlife Department, or its said successor, in such manner as prescribed by law.
"Such fund shall be used by said Parks and Wildlife Department, or its said successor, under such provisions as the Legislature may prescribe by general law, for the purposes of acquiring lands from the United States, or any governmental agency thereof, from any governmental agency of the State of Texas, or from any person, firm, or corporation, for State Park Sites and for developing said sites as State Parks.
"While any of the bonds authorized by this provision, or any interest on any such bonds, is outstanding and unpaid, there is hereby appropriated out of the first moneys coming into the Treasury in each fiscal year, not less than the amount of the interest and sinking fund at the close of the prior fiscal year, which includes any receipts derived during the prior fiscal year by said Parks and Wildlife Department, or its said successor, from admission charges to State Parks, as the Legislature may prescribe by general law.
"The Legislature may provide for the investment of moneys available in the Texas Park Development Fund and the interest and sinking fund established for the payment of bonds issued by said Parks and Wildlife Department, or its said successor. Income from such investment shall be used for the purposes prescribed by the Legislature.
"From the moneys received by said Parks and Wildlife Department, or its said successor, from the sale of the bonds issued hereunder, there shall be deposited in the interest and sinking fund for the bonds authorized by this section sufficient moneys to pay the interest to become due during the State fiscal year in which the bonds were issued. After

all bonds have been fully paid with interest, or after there are on deposit in the interest and sinking fund sufficient moneys to pay all future maturities of principal and interest, additional moneys received from admission charges to State Parks shall be deposited to the State Parks Fund, or any successor fund which may be established by the Legislature as a depository for Park revenue earned by said Parks and Wildlife Department, or its said successor.
"All bonds issued hereunder shall after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas.
"Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such Acts shall not be void by reason of their anticipatory nature."
Sec. 2. The foregoing amendment to the Constitution shall be submitted to a vote of the qualified electors of this State at an election to be held on November 11, 1967, at which election each ballot shall have printed thereon, the following words:
"FOR the amendment to the Constitution of Texas adding a new section to be known as Section 49-e of Article III, authorizing the issuance and sale of Seventy-Five Million Dollars (\$75,000,000) in bonds by the State of Texas to create the Texas Park Development Fund to acquire lands for State Park sites and to develop State Parks."
"AGAINST the amendment to the Constitution of Texas adding a new section to be known as Section 49-e of Article III, authorizing the issuance and sale of Seventy-Five Million Dollars (\$75,000,000) in bonds by the State of Texas to create the Texas Park Development Fund to acquire lands for State Park sites and to develop State Parks."

Old Glory News...

By Mrs. R. M. Babb
School started this past Monday morning and I believe every youngster that I talked to was glad and eager.
Lt. Col. Hal Tindall and family have been spending some time with his mother and sisters here, Mrs. J. E. Tindall, Mrs. Guy Mauldin and Mrs. A. J. Ford. Hal has just returned to the States having spent a year in Korea.
Mr. and Mrs. Alvin Woodson of Houston, Mr. J. E. Woodson and Mrs. Moore of Holiday Lodge, Hamlin spent Sunday

Cindy Beck, daughter of Mr. and Mrs. Jim Beck. The girls didn't win but we are just as proud of them as if they both had been given the crown.
We are very proud of one of our citizens, Mrs. Fred Turner, she won the most blue ribbons, and can she knit?
Mrs. Hugh Hood spent several days in Ft. Stockton with her daughter, Pam, and family, Pam hasn't been feeling too well.
The Woodford Pursleys came racing through town Saturday and said they would stay longer next time. They drove from Big Spring to see her mother, Mrs. Smith in

Holiday Lodge in Hamlin.
Mrs. Gladys Williams has had word that her daughter and family have moved to Hartley, Tex. Tommy will pastor the Methodist Church there. Rev. Tommy Wilson and family have been living in Southland, Tex. where he was pastor of the Methodist Church.
A gift tea honoring Mrs. David Lee (Buster) Brown nee Frances Lucille Lindsey on Saturday afternoon at the Methodist Church basement was well attended. Mrs. Brown was a Levelland girl and she and Buster will continue to live there as Buster is employed by the Government

Soil Conservation.
Mrs. Buster Lambert came home on Friday after spending a few days in the hospital but is doing real well at present.
Mrs. Charles Scott and Mrs. Ella Scott shopped in Abilene on Saturday.
Mr. and Mrs. Cecil Kiser Jr. and family Mr. and Mrs. Thomas Kiser, all of Sweetwater, and Mr. and Mrs. Bobby Kiser and daughter of Hamlin visited in the Cecil Kiser Sr. home Sunday. Thomas will soon be reporting to Camp Wolters for the remainder of his time in the service.
Mr. and Mrs. Mike Dobbs of Abilene, visited in the Woodrow Lawlis home over the weekend.
The Kenneth Mauldin family of Fort Worth visited relatives and attended the Fair and Rodeo, with Kenneth doing some roping.
The Ross Douglas family are still under a jinx or something. He was working last Tuesday and a board fell from the top of the building hitting him just above the temple cutting quite a gash and giving him a whopper of a headache but seems as if he will be alright.
Karlene White and Sue Maberry of Sweetwater were in town on Saturday visiting

both their grandmothers, Mrs. Nedra Kiser and Mrs. C. B. Lambert.
Bridge Winners
Hamlin duplicate bridge club played in teams of four at their regular session Tuesday night at the Jaycee Community Building.
Winners were Mrs. G. W. Comegys, Harvey Elkins, and Mr. and Mrs. Harry Yates of Stamford, first. Mrs. L. W. Shivers, Mrs. Harvey Elkins, Mrs. Larry Dugan and Mrs. Bob Ford, both of Abilene, were second, and Mrs. Jack Russell, Mrs. R. H. McCurdy, and Mr. and Mrs. Henry Albritton were third.
Airman 3C Raley Smith and his wife, Janie, visited with his parents, Mr. and Mrs. Bill Smith. He was being transferred from Lackland AFB to Duluth, Minn.
Ronnie Dale Stice, son of Mr. and Mrs. O. C. Stice, and Jimmy Ernest Stuart, son of Mr. and Mrs. Clifford E. Stuart, have enrolled at Cisco Junior College for the fall semester.

Jones County to Continue With 70c Tax Rate; Will Use Reserve

Jones County will operate again during the coming year on a 70-cent tax rate, it was decided by the commissioners court last week when the new budget was adopted.

The 15-cent levy which has been assessed in Road District No. 1 — substantially the northern one-half of the county — will no longer be assessed.

Budget for the coming year will be \$491,240.00 which is \$94,162.92 less than that of the previous year. Tax valuation of the county is approximately \$30,000,000.

Auditor Carl Savage explained that although oil valuations dropped some \$600,000, new construction made up the difference.

It was explained that for the last two or three years the county has to draw on reserves. More money was spent than was collected in taxes. Such will be the case again during the coming year.

Last year, Savage said, approximately \$30,000 was used out of reserve funds. This year, this sum likely will be \$12,000. Last year was particularly costly in that much highway right-of-way had to be acquired and commissioners had to purchase some expensive equipment.

The Road District No. 1 levy had been made to retire bonds voted to purchase right-of-way for widening Highway 92 from Stamford to Hamlin, and for Highway 380 from Stamford to Lueders.

Area Cotton Farmers Represented At Lubbock Meeting Monday

The Jones-Fisher County Farmers Union and the Rolling Plains Cotton Growers were represented at a meeting of Cotton Farmers held in Lubbock Monday called by the Secretary of Agriculture for the purpose of discussing and securing recommendations on the cotton situation and the 1968 cotton program.

From 20 to 30, representing farmers, ginners, processors and commodity groups, gave

testimonies regarding the 1968 program. All in attendance seem to be in full agreement on the 1968 Cotton Policy in that they favored leaving the present program as it is and relaxing the skip row penalty, according to John Scarborough, president of the Jones County Farmers Union, who attended the meeting.

The Jones-Fisher County Farmers Union was represented at the meeting by Max Carriker of Roby, who expressed the views of both county organizations.

The four points expressed by Carriker in his testimony were as follows:

1. Urging regulations and administrative interpretations which would hold the line on production. Feeling that the 8.3 million bales estimated production of cotton, for the crop year 1967 is much healthier than the 14 to 15 million bales which has been suggested to the Department.
2. Improve quality and enhance grower income by increasing the production payment to the maximum level allowed and by relaxing arbitrary and restrictive skip row penalties. Feeling that the present skip row penalty is unfair to the short staple cotton area. The lack of moisture is the reason for the short staple cotton and skip row farming practices help to solve this problem.
3. Permit the orderly marketing of the 1968 crop through a product sales policy which truly avoids market competition with producers.
4. Use vigilance to see that differences reflected in the price support program accurately indicate utility value.

In his closing remarks Carriker urged the Department to stay off the panic button and as for looking at long terms concerning cotton, Carriker stated that his long term look at cotton is how to pay his short term bank notes.

The meeting in Lubbock is one of a series of 14 being held over the state.

DPS Predicts 45 to Die In Traffic Over Labor Day Weekend

AUSTIN — The Texas Department of Public Safety announced today that its Statistical Services has estimated that 45 persons will lose their lives in traffic mishaps during the Labor Day holiday weekend.

Col. Homer Garrison, Jr., DPS Director, pointed out that this is the last holiday of the summer and thousands of motorists will be crisscrossing

the state in their travels. "This increased travel increases the chances of an individual being involved in an accident," Garrison said. We urge every motorist to exercise caution and to stay alert.

"The Department of Public Safety will continue in its all-out effort to curb traffic accidents and to stop reckless and illegal driving on the highways," Garrison said. Approximately 150 uniformed officers from other DPS services will be on the road to supplement the highway patrol enforcement action.

During the holiday period, from 6 p.m. Friday, September 1 through 11:59 p.m. Monday, September 4, the DPS will tabulate each traffic death and the totals will be announced three times daily from DPS headquarters in Austin in order to call public attention to highway dangers.
